SHUTTERS

BROCHURE

Empowering you to take control of the natural light in your space

We believe that window decoration should be beautiful, timeless, easy to use and maintain. Set the light and mood in your home with ease, and enjoy the opulence our shutters bring into your space.

MYT Shutters is designed to last. Their excellent durability and simple operating methods make them a lifetime contribution to any interior or exterior in your home or business. Shutters bring all the benefits of full control over light, privacy and airflow, while adding elegance and luxury into your space. They are the perfect window covering solution for practically any size or shape window.

Explore the different possibilities in this brochure, or experience it in person in one of our showrooms. For more information, visit mytshutters.com.

Who we are

MYT Shutters is an Australian owned and operated brand, running our own factory in Sydney and in China. Australian installers and consumers have been choosing MYT Shutters for years, based on our superior and unrivalled paint finish. With our own manufacturing capabilities, we are the only one to focus 100% on shutters and control the entire innovation process, from start to finish.

We are now a dedicated and international company of over 300 employees, with teams in Australia, Europe and China. We strive to always bring you the best quality shutters and personalised expert solutions for all your shutter needs.

Designer colours *leading* the latest trends in the industry

The colour palette of your interior will determine the setting and ambiance of your home, so choosing the right colour for your shutters is essential. At MYT Shutters we always have the latest trendy colours available. We only use the highest quality waterbased paints and stains to achieve the best finish. Whether you choose a rich black for a modern look, or an oiled Cedar shutter for a natural and elegant style, our MYT specialists can advise you on all the options available to you.

- Only waterbased paints
- 30+ standard painted and stained colours
- Stressed beach look with our Paulownia Rustic series
- Custom colours available on request

Basswood | 89mm blades in Black

Paulownia Rustic | 89mm blades in Dove Grey

Cedar | 89mm blades Oiled

Timber

Our timber collection consists of Basswood, Western Red Cedar and Paulownia. Each of them have their own unique characteristics and charm and are the most versatile in terms of colour, design and shaped options. The benefits are boundless. From a hardwood such

as Basswood with a straight and fine grain, or a Rustic Paulownia for a stressed beach or Hampton style look, to a prestigious Cedar with its natural warm colours. Our timber shutters have *excellent thermal and acoustic properties* and remain the most popular choice of shutters for everyone.

BASSWOOD

- Interior only
- Light weight, hard wood
- Extremely dimensionally stable
- Satin smooth finish
- Painted or stained colour options

CEDAR

- Interior and Exterior
- Most exclusive timber
- Great for wet areas
- Excellent for very large panels
- Lacquered or Oiled colour options

PAULOWNIA

- Interior only
- Unique open wood grain
- Rustic beach look
- Great for humid areas
- Painted or Rustic colour options

Polymer shutters | 89mm blades in Vivid White

Polymer shutters | 89mm blades in China Doll

Polymer shutters | 89mm blades in Arctic White

Polymer

Transform your home with our exclusive Polymer shutters. MYT Shutters create our very own Polymer formula, and used in combination with our re-designed exclusive Aluminium core that makes our Polymer shutter the most dimensionally stable in the world. MYT's Polymer is visually indistinguishable from Timber, and will add elegance and timelessness to any room in your home. Easy to care for, and great for areas with high humidity such as bathrooms or kitchens.

- Made from our own MYT superior formulated polymers
- Impervious to humidity or moisture
- Most stable compared to others and great for insulation
- Hypoallergenic and fire retardant
- Reinforced Stiles and Blades

Aluminium

Strong, durable, resistant to water and high temperatures. Our Aluminium shutters are perfect for any outdoor space. They are robust without compromising on elegance or style. Custom made with precision and care, our Aluminium shutter range adds an industrial, yet classic look to any home or business.

- Our extrusions are the strongest on the market
- Scratch resistant textured powder-coated finish
- 10 year warranty on powder-coating
- 6 standard colours and custom colours upon request
- Optional locks are a great deterrent against intruders
- Special shaped panels available

Aluminium Shaped shutters | 89mm blades in Black

Aluminium shutters | 89mm blades in Pearl White

Aluminium shutters | 89mm blades in Pearl White

M100 Motorised Louvre Roof System | in White

Basswood shutters | 89mm blades in Avalanche

Cedar shutters | 89mm blades in Lacquered finish

Polymer shutters | 89mm blades in Parchment

Why us?

Choosing MYT Shutters means you have made a conscious decision based on overall quality and service knowing we will provide you with the best product on the market. We offer a 15 year structural warranty, along with a 5-10 year paint warranty on all of our products because we believe in the quality we deliver. Our 100% focus on shutters allows us to be completely dedicated in providing you with the perfect window covering solution, always custom made specifically for you.
