

Bradmill Outdoor Fabrics is Australia's largest and most experienced manufacturer of canvas fabric for exterior awnings and blinds via our industry benchmark **Brella "the fabric of life"** Classic Canvas Collection.

The quality of our Brella range of external awning canvas is unmatched and widely considered "**best in class**".

Our **Brella "the fabric of life"** awning canvas is manufactured under our strict **Bradmill Quality Management System** to ensure you receive **Premium Quality Assured Canvas**, and has been made in Australia now for **over 65 years!**

We are Australian made and proud of it!

It's not just the vast array of architecturally inspired patterns and colours that make our Brella Classic Canvas so fabulous, it's also the feel and texture of the fabric which inspires so many architects and designers to use our products.

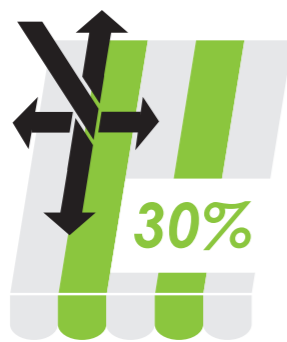

We call it **Architexture** and it's Brella.

Classic Canvas Range

The Brella exterior awnings and blinds Classic Canvas Collection offers an extensive colour and pattern range.

Our colours are inspired by the latest colour trends, exterior architectural influences and the vibrant Australian landscape to bring you one complete exterior awning canvas offering.

As such, all our patterns and plain colours naturally co-ordinate with the **COLORBOND®** range of colours.

- ❖ High Opacity

Note: Cosmopolitan, Revival, Impression, Stylemaster, Acclaim and Duotone canvas fabrics feature the traditional green back Classic Canvas finish. UnoVogue Linear canvas fabrics feature the same colour front and back. Fabric colours depicted should be viewed as a guide only as the printing process limits the reproduction accuracy. Ask your authorised brella dealer to view actual fabric colour swatches.

Brella “the fabric of life” remains Australia’s premier awning canvas and continues to be the “industry benchmark”.
